1 Light Bath Vanity (LED)

Classic crystals on a modern geometric form create a dramatic transitional to modern style. Golden Lighting's Krysta collection features genuine cut crystals and a sophisticated, polished Chrome finish. The faceted Glass diffusers soften the bright light of the LED halogen bulbs. Through the faceted crystals, the refracted light creates an elegant gleam. Bring glamour and style to any room. Sconces are popularly used in halls, stairways, and foyers as accents, but this 1 light bath vanity is approved for damp locations.
