1 Light Wall Sconce

Our Carter Collection is all about balance and equilibrium. The twisted rope details add a feminine touch to balance the bold, masculine frames. These rustic, industrial inspired spheres have a chic, urban appeal. The reflective Chrome finish and exposed medium base sockets enhance the contemporary look. The sockets are evenly distributed for symmetry creating up and down lighting. These airy, open-cage fixtures create a nostalgic, yet modern focal point. This wall sconce can be used alone or as a pair.
