6 Light Chandelier

Ferris is a casual, vintage-inspired design that was created for eclectic or farmhouse decors. The unique metal work features a scallop detail and a multi-layered, hand-painted finish. The multi-layered oyster finish is applied with white and gold accents to create a chic, but weathered look. The hanging fixtures include 12" of chunky, round decorative Chain. This 6-light Chandelier creates a stylish focal point and is comfortably sized for intimate dining and living areas.
