Mini Pendant

Simple and geometric, Lowell is rustic style in a modern form. Crafted of genuine cedar wood, the lightly distressed solid wood frames are washed in a soft gray for a casual, coastal feel. The dark matte black of the exposed sockets, joints, and hardware lends an industrial influence to the design, providing dramatic contrast to the light tone of the natural wood. This mini pendant provides soft task lighting, fully illuminating a kitchen bar or countertop. It can be used individually or arrayed as a set.
