Semi-Flush

Create a nostalgic retreat with this mesh metal lantern. A traditional silhouette is effortlessly blended with industrial elements for an updated craftsman look. A metal mesh shade adds rustic charm as it sits beneath an overhanging roofline to shield eyes from direct light. The open top cap allows ambient light to reach the ceiling. The versatile rubbed bronze finish allows the series to blend well with a variety of interiors. This semi-flush is UL approved for use in a bathroom, but also works perfectly in a kitchen, living room, entry, or hallway.
