5 Light Pendant

Finally, fashion meets function in a refined, oversized dome pendant with the ability to cast ample light. Aldrich is a stylish collection of industrial-inspired pendants designed to push bright ambient and task light through the tops and bottoms of metal shades. Heavy-duty rivets provide aesthetic appeal and utility, securing the matching wide steel straps to the coordinating shade. Created to complement a wide variety of interior styles, from modern to rustic, these pendants are available in multiple finish combinations. The frame is offered in 2 finishes: aged brass and pewter. Select a matte white or matte black shade to complete the look. This 5-light pendant is perfect for intimate settings or in a large, open kitchen.
