Linear Pendant (with chrome outer cage)

This modern style has a dramatic flair. Dainty with an edge, this industrial glam design is contemporary elegance at its finest. The brilliance of the elongated crystals is suitably highlighted by the strength of the optional geometric cage. Adding depth and dimension, stunning crystals shield a bright light source. Choose a coordinating chrome cage or add contrast with the matte black option. Easily customize the height of the fixture to suit your application. This linear pendant illuminates a kitchen bar, dining table, or similar area without interfering with activity at the surface.
