Semi-Flush

These eclectic fixtures are composed of genuine cedarwood. To highlight the wood's natural grain and texture, the designer white-washed the cedar accents and applied a rusty Antique Black Iron finish to the hardware to complement the collection's rustic design. Create a cozy-chic farmhouse look with the harmonious curves of these sphere-like fixtures. This light works beautifully when used as a stand-alone accent or when hung in a group. The low-profile design of this semi-flush accommodates 8-9' ceilings.
