3 Light Semi-Flush

The Winslett collection is versatile and transitional in style. Classic silhouettes are perfectly matched with clean, modern lines for a mixture of form and function. Bright bulbs shine within ribbed clear glass shades. The linear texture, made by a glass-blowing technique, creates the optical illusion of distortion. The vertical lines in the glass provide gentle diffusion while playfully refracting light. Offered in two highly adaptable finishes; Pewter and Matte Black, the Winslett collection is suitable for a variety of decors. This 3-light semi-flush creates a dramatic focal point and smooth ambient lighting.
