9 Light Chandelier

The Roost collection brings casual, rustic styling to any space. On-trend with modern country home design, the design is perfect to hang in rooms with farmhouse décor. The style works equally well with vintage-inspired decors, rooms with antique accents, and even bistro kitchens. Sturdy, sophisticated metal frames are curved to create an organic silhouette. Loosely wrapped mesh chicken wire shades allow widespread light to fill a room. This 9-light chandelier is sized comfortably for foyers and grand rooms.
