Flush Mount - 24"

The Roost collection brings casual, rustic styling to any space. On-trend with modern country home design, the design is perfect to hang in rooms with farmhouse décor. Sturdy metal frames are curved to create an organic, sophisticated silhouette. The fixture shade features chicken wire held together by a frame which is hand-painted to look like a natural wood finish. This flush mount is UL approved for use in a bathroom, but also works perfectly in a kitchen, living room, entry, or hallway.
