Mini Pendant

Calgary has all the distressed charm you need to warmly welcome neighbors, family, and friends into your home. The collection features the traditional craftsmanship found in farmhouse antiques. Simple lamps and utilitarian rivet screws add to the casual elegance of the series. The Pebbled Rust finish has a weathered, oxidized look that features rich copper tones balanced by natural whites, earthy grays, and browns. These rustic, all-metal fixtures have the appeal of authentic barn baskets repurposed into pendants. The airy, industrial mesh metal shades allow the chain-hung pendants to shine brightly wherever they hang. These mini pendants are perfect against the backdrop of a cheery white kitchen.
