6 Light Pendant

Our Carter Collection is all about balance and equilibrium. The twisted rope details add a feminine touch to balance the bold, masculine frames. These rustic, industrial inspired spheres have a chic, urban appeal. The dark Aged Bronze finish and exposed medium base sockets enhance the vintage look. The sockets are evenly distributed for symmetry creating up and down lighting. These airy, open-cage fixtures create a nostalgic, yet modern focal point. This 6 light pendant is comfortably sized for a small nook, dining, or an entry.
