Semi-Flush (Convertible)

Nostalgic design with a modern twist, Golden Lighting's Valencia collection draws inspiration from Early American ingenuity. The classic lantern gets an antique patina from the multi-step, hand-painted matte black finish, and continues the look with seeded Glass panels that softly diffuse the inner light. Antique silver candlesticks and faceted crystals complete the nod to a bygone era and make this collection the perfect accent to a traditional home. This 4 light convertible semi-flush creates a stylish focal point.
