3 Light Wall Sconce

A nod to a bygone era, Brigette adds a touch of rustic, romance to any room. Similar to the elaborate fixtures that graced the grand rooms of oligarchs during the Regency period, Brigette is fashioned to impress a royal court. Like a treasured antique found tucked away, this ornate sconce features a fir wood backplate and is hand painted in a distressed antique black iron finish. Brigettes beauty is further elevated by its sweeping arms, scalloped couplet detailing, and pleated crystal beads.
