4 Light Pendant

With a mixture of metal and wood materials, Harvey is a two-tone Rustic-Modern box. This vintage-inspired design has an attractive, industrial feel. An inner frame composed of light wood in a heavy natural grain sits inside a metal frame finished in an Antique Black Iron finish. A simple canopy and rods that match the rest of the fixture's hardware suspend perpendicular frames for a contemporary look. Within the geometric framework sits a cluster of four upright candle lights. Use this simple and sophisticated 4-light fixture to enhance your rustic farmhouse or coastal design.
