1 Light Wall Sconce

Perfect for farmhouse decors, Locklyn is a rustic series that blends old and new. Inspired by vintage-industrial design, this collection stands out wherever it's hung. Thick steel bands of metal create a partial shade. The design allows light and heat to escape from above and below the metal shades, providing both task and ambient lighting. The classic black and white look features matte white metal shade tops and a smooth, matte black finish. This 1-light wall sconce is perfect to use in hallways, bathrooms, and foyers as an accent.
