3 Light Bath Vanity

Traditional elegance with a modern edge, Daphne's stately details give the fixture a classic regal appearance. Beautiful, vintage-inspired bell-shaped clear glass shades allow for widespread illumination. Heat venting cut-outs in the tiered cups add industrial undertones to the design. A warm Brushed Champagne Bronze finish pairs well with large glass shades to elevate the overall look. Great for rooms with traditional to transitional décor, the three-light vanity can be installed with the glass facing up or down in your full bathroom or powder room.
