8 Light Pendant

Add to your home's decorative flair with the vibrance of Cleo. Rubbed Bronze hardware and a whimsical drum shade create a transitional, eclectic look. The dark frame subtly contrasts cascading accents in a lighter, metallic color, creating dimension. Eight evenly stacked candelabras offer bright illumination. You won't be able to resist touching the fabric-like strands of the flowy chains. Fun and flirty, like a modern fashionista, the shimmering chandelier looks ready to move. Let the Cleo chandelier create that stylish look that you have been craving.
