Brinkley's transitional design is fit for a variety of decors. Inspired by the balance of organic and geometric shapes, this series provides a refreshing take on angular modernism. Brinkley's whimsical silhouette hints at the lighthearted age-old question, which came first, the chicken or the egg. The uniquely shaped shade smoothly peaks and dips, defying the traditional expectations of porcelain. To match the shade's exterior, the interior is also painted white. When lit, the porcelain shade offers a soft, warm glow. Paired with a stunningly elegant Brushed Champagne Bronze finish, Brinkley provides an updated look to grace a variety of interiors.
