1 Light Pendant - Outdoor

Melany is the pinnacle of outdoor lighting sophistication and practicality. This bell-shaped fixture seamlessly blends style, functionality, and resilience to elevate outdoor experiences for years. Inspired by nature, the contemporary design complements various decors. Designed for the harshest conditions, a strong plastic-coated power cord and a weather-resistant canopy ensure your lighting remains unaffected by the elements. Beneath a hand-woven shade crafted from black plastic composite, three sockets emit a warm and inviting glow. Seeded glass shades encase the radiant bulbs, casting captivating patterns beneath the faux wicker outer layer. An added layer of UV-coating safeguards the lightly textured black finish, preventing the fading effects of relentless sunlight and weather, allowing the fixture to grace your outdoor space with enduring beauty.
