8 Light Chandelier

Nostalgic for a bygone era, the Travers Collection may have a simple form, but creates a dramatic style. The rustic, industrial inspired design features simple lamps enclosed in Tinted Frosted Artisan Glass. The tinted glass is complemented by a warm, hand-painted Rubbed Bronze finish. Extra-large glass shades house medium base bulbs offering an ample supply of light. These transitional fixtures work well with a variety of decors. This 8-light chandelier is graciously sized for large rooms, but its height allows it to work well with for lower ceilings.
